2 Thomas Jefferson Street Buzin
10010 Zagreb
Tel: 661-2200, 661-2276, 661-2233
Fax: 665-8933

- Dental Services in Croatia -

Dental Services in Croatia are mainly offered in private dental practices. Certain English-speaking dentists residing in Croatia have agreed to provide their services upon request. A dentist's name on this list does not imply any connection with, or recommendation by the United States Government.

All the charges for medical services must be met by the patient. The Embassy cannot assume responsibility for any costs, nor can the Embassy assist in negotiating the price for services.

August 2014
